#### Problem Statement:

Mr. Kumar is a 30 years old man. He want to save the daily expenses who cannot manage his expenses. He cannot successfully lead a household and fulfill his goals. In the current world ,Mobile phones and laptops have become a part of living, such an app would be handy to deal with all our expense.

- Mr. Kumar Needs to know how to reduce the expenses on daily Bases.
- .
- Due to this, Mr. Kumar has spend lot of money.

<b>I am</b>	Mr. Kumar, a 30Years old man.He is Business Man
<b>I'm trying to</b>	Manage the expenses in daily usage.When tracking your spending, spend as you normally would.
<b>But,</b>	I am unable to control the expenses.We places money in savings before spending any each new pay period or month, the tracking goal can help.
<b>Because</b>	When I track your spending, you know where your money goes and you can ensure that your money is used wisely. Tracking your expenditures also allows you to understand why you're in debt. This will then help you design a befitting strategy of getting out of debt.
<b>Which makes me feel</b>	Tracking your expenses involves identifying your expenditures throughout the month. It's an essential activity that you should ideally do every day throughout the month.
